

St. Margaret's Church

I P S W I C H

A list of the known incumbents of St Margaret's Church

This list of incumbents, called variously over the years chaplains, priests, ministers, perpetual curates and now vicars, is much longer than that shown on the sign-written on boards under the tower. The church is grateful to the late Peter Northeast, who, by reading all the surviving wills of medieval parishioners, discovered more names and dates than previously recorded.
