## Sunday 1st February

### Candlemas

This weekend I shall be enjoying the last of my Christmas tree and eating pancakes. You may think I have forgotten what day it is! Although Shrove Tuesday, pancake day, is not for a few weeks yet and most people's Christmas trees have been long packed away, or composted, I'm celebrating the end of the Christmas season, the celebration of light - God's light - the light of Christ that has dawned, made visible in Christ Jesus at Christmas, made visible again to Anna and Simeon in the temple as we mark Candlemas, when forty days after his birth, Jesus' parents, Mary and Joseph, brought him into that sacred space, as was custom and ritual, to give thanks to God and to begin the earthly journey of a life of faith and hope.

The light of the world.

To light a candle in the darkness is a hopeful act: carrying a flame when the wind is against us. Finding the courage to face what lies ahead with eyes wide open. A kindly light that helps us to find our footing - not the spotlight that exposes and judges.

At our 10 am Family Communion service we will see the light in the sermon-slot. Candles will be lit in the hope that we might see differently. See through God's eyes. See how we can change the world around us and be changed ourselves in the name and for the sake of love.

Across France tomorrow, some will be celebrating La Chandeleur. Look it up. Learn about it. Enjoying crêpes. Celebrating the return of the light as the sun's position changes in the sky.

The Light of the World is always with us that we too might shine as lights in the world. Tomorrow we end our service in church by being sent out as shining lights (and to enjoy pancakes together!)... though Christmas celebrations end, it is just the beginning.... for God is with us. Let there be light. Let us shine.

## Churchwarden(s) Vacancies

After four years of dedicated service in the role of lone Churchwarden, Margaret Woodward's time in this role will end at the APCM. Churchwardens serve in one of the most visible and important roles in a church community and we must discern wisely the people who will take on these roles in this season when the church is growing. Please begin to pray and to look for people across this community with practical and people skills whom God may be calling to serve us in this role. **The Vicar's prayer is that at team of 4 people will emerge who can work well together, with a blend of ages and experiences.** Two named wardens and two dedicated helpers. The role of churchwarden is varied - there are some tasks that must be undertaken, however, it can also be

shaped to enable individuals to bring their skills to the role to help St Margaret's continue to flourish and grow. There is some information about [being a churchwarden on the Diocesan Website](#): please speak with Revd Sarah and with Margaret if you are curious.

## Support

Remember our Pastoral Team are here to support members of the St Margaret's community whether ill or in need of a friendly listening ear, details can be found towards the bottom of this email.

## Social Action

Please remember have a box at the back of the church all year round to collect contributions of food and toiletries.

# Growing Greener

## Green Tip of the week

Rather than buying small plastic bottles of products each time you need them, try buying food and cleaning products in bulk to avoid useless plastic wrappings. Nowadays, there are plenty of options to choose from, and many supermarkets and other shops let you fill your own jars/bags. Many towns now have at least one shop dedicated to reducing plastic use where you can bulk buy. Choose metal or glass food containers and storage options instead of plastic ones whenever you can.

## Offertory

The life and mission of St Margaret's is financially sustained through generous giving. If you have been giving regularly as part of your practice of gratefully living in God's service, thank you. If you're new to the community, or would like to think about celebrating life in this way, you may find the following helpful: we receive no income from 'The Church'... we are the church! So, thank you – for anything and everything that you are able to give in response to God's generosity.

In church you can give in a couple of ways on the day:

- **Collection plate** – during services a collection plate is sometimes passed among the congregation, but you will more often find it at the South door as you leave or arrive. Do use a yellow envelope if you're a tax payer so gift aid may be re-claimed.

- **Tap giving** – during services a tap giving machine is located on the pillar on the west wall, to the left of the bell tower – do consider tapping your card or device. As well as giving regularly, this is also a good way of offering an occasional additional gift.
- **Regular Giving** – St Margaret's is registered with the [Parish Giving Scheme](#), allowing you to be in control of your giving and to give securely and safely online by Direct Debit.
- **Online giving** – If you wish to make a one-off or extra gift online, you can do so securely via the [Parish Giving Scheme](#).
- **Gift Aid** – if you are a tax payer, St Margaret's can claim back the basic tax you have already paid to the government. To make the appropriate declarations, please speak with the treasurer, [John Grierson](#).
- Leaving a **gift in your will** or making a **donation in memory** of a loved one – no matter how large or small, every gift makes a difference. If you would like to talk about this with someone, in confidence, then please consider speaking with the treasurer, [John Grierson](#) or the Vicar, [Sarah](#).
